Hey campers! Let's start this summer out with a favorite topic - ANIMALS! We are talking sea creatures, mammals, and the cool pets we call our own. ## Sports and Movement

**Week 2 Monday June 21st- Thursday June 24th 9am-12pm**

Campers will experience lots of fun ways to stay active and learn how the body works inside and out. Ever draw with your elbow? Get ready to move and groove!!

## The Great Outdoors

**Week 3 Monday June 28th- Thursday July 1st 9am-12pm**

Take in a deep breath and enjoy all that nature has to offer us. Enjoy a scavenger hunt, identify different climates and environments. Be one with nature as we explore the good and the bad, the dry and the wet, and everything in between.

## Welcome to Fantasy Island

OK so maybe not an Island, but we will have a great time learning about the exciting and creative world of Fantasy! From Harry Potter to Star Wars, from Fairy Tales to Superheros. Let's jump into our imagination

and explore. Create your own magical wand, impress Hansel and Gretel with your homemade gingerbread house, and design your very own Superhero mask.
